

## Parallel Park Questions

- Where should you position your vehicle to start the manoeuvre?
- Why is it important to put your vehicle into reverse gear as ASAP?
- At what point should you start steering to the left?
- Why is it particularly important to look up and down the road at this point?
- Where should your vehicle be positioned at the end of this manoeuvre?
- What should you do if another vehicle pulls up too close behind you while you are waiting to park?
- If you adjust the mirrors to help you see the kerb, what **MUST** you do when you have completed the manoeuvre?
